Letter of Inquiry Privacy Act Statement

Authority: The collection of this information is authorized under 5 U.S.C. § 301, Departmental regulations, which authorizes the operations of an executive agency, including the creation, custodianship, maintenance and distribution of records. Furnishing this information is required for remote sensing space systems licensed by CRSRA as a standard license condition, 15 CFR 960.8(h), and is necessary in responding to an investigation or inquiry concerning any matter relating to the enforcement of the Act, 51 U.S.C. § 60123(a)(7).

Purpose: NOAA collects this information to evaluate compliance with the Land Remote Sensing Policy Act of 1992 (51 U.S.C. § 60101 et seq.) and licenses issued by CRSRA for the operation of a remote sensing space system under that Act and its implementing regulations, 15 CFR Part 960.

Routine Uses: The information is used for the purpose set above and may be shared among CRSRA and other Department of Commerce employees and affiliates for work-related purposes. The information may be made available to other Federal entities and their affiliates for work-related purposes when necessary to obtain or share information or advice relevant to licensing, compliance, or enforcement activities. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice Commerce/NOAA-11(<http://www.osec.doc.gov/opog/PrivacyAct/SORNS/noaa-11.html>), Contact Information for Members of the Public Requesting or Providing Information Related to NOAA's Mission.

Disclosure: Furnishing this information is required for remote sensing space systems licensed by CRSRA as a standard license condition, 15 CFR 960.8(h) and in response to investigations and inquiries pursuant to 51 U.S.C. § 60123(a)(7). Furnishing false information, failing to cooperate with all compliance, monitoring, and enforcement authorities, and/or otherwise interfering with, misleading, obstructing, or frustrating the exercise of such lawful authority may lead to a civil administrative penalty under 15 CFR 960.16(b) and/or 15 CFR 960.16(c).
